- **Keith** — needsAction on this invite
- Sep 14 Slack #360-co-founders: Patrick — consider LinkedIn with Giant Partners campaign (sports industry)
- Sep 14 eve Keith DM: asked about co-founder + Hanna/Pat chat structure

SNAPSHOT · SIGNALS / OPEN LOOPS

> **PRIVATE talking point:** ask Patrick to come out to FL/Sanford to dial in bot projects while everyone has bots operational

- **Flag (do not invent next steps):** Keith Slack Sep 14 evening — “360 Hoops Foundation is a NO GO”
- Staff KPI known from memory: Slack “locked” rules for Exalted/360 to cut interrupt load (Anthony+Hannah defining; announcement owner/timing TBD)
- No full Founders agenda found in recent Slack/Gmail beyond above — don’t invent topics
- Company priorities backdrop (known): raise path / software / sales hire wave / school experience / finance controls

TALKING POINTS · ASKS

- Private: Patrick → FL/Sanford for bot-project dial-in
- Surface Foundation “NO GO” as Keith signal only — no invented plan
- Giant Partners LinkedIn campaign — what does it look like? (Patrick ask)
- Confirm Keith attendance / channel for Foundation clarification
- Bot operational status check across founders (no fake KPIs)

> **Win:** Patrick FL ask delivered; Foundation flag acknowledged without overreach; one clear owner on LinkedIn/Giant next touch.
