MEETING PREP · PRODUCT / GROK BOT

Grok Bot Galaxy — founders session

Virtual · Registered · Founders · Hannah RSVP open

Tue Sep 15 · 7:30–8:30 PM ET
Virtual · x.ai/galaxy
Meet: jpd-eroc-mqj
Anthony registered · Hannah Galvis needsAction

WHO / LAST TOUCH

- Anthony registered for Galaxy (Sep 15–17 livestream window on cal)
- Hannah invited to this founders Meet — **needsAction**
- Earlier today: Galaxy **day-start** 11:30–12:30 held but conflicts Bobby — skipped; Hannah accepted day-start
- Context: team already running Grok Bot life-pie / bot-roster patterns (Keith/Stone/Jonathan style)

SNAPSHOT · SIGNALS

- Calendar frame: founders session 7:30–8:30 PM ET · Meet jpd-eroc-mqj
- Public agenda page (x.ai/galaxy) fetch blocked / unreliable in tooling — **do not invent session speakers or slide titles**; use cal only
- Use session to capture: founder workflows, parallel bots, role-based customization
- After Bobby lunch + Founders 2pm — energy/buffer; join on time

TALKING POINTS · ASKS

- Watch for bot patterns that map to 360 ops (IR, sales wave, school experience, CoS)
- Note anything useful for Patrick FL bot dial-in ask from afternoon
- Confirm Hannah join / share Meet if she accepts late
- Capture 3 takeaways max for Wed team — drafts only

> **Win:** attend full hour; 3 actionable bot ideas for 360/Exalted; no invented Galaxy agenda claims.
