WHO / LOGISTICS

- **Melissa Jones** — honeybeeenchanting@gmail.com (needsAction)
- Anthony + Melissa only (in person primary)
- Topic: **Mia and Grok Bot setup** (Mia = Anthony's 18yo daughter)
- Bring **laptop + phone**
- Homework Doc: open Doc
- Optional Meet: meet.google.com/xyc-chga-knx (backup only)

HOMEWORK DOC · SIGNALS

- **Answers still blank** as of morning prep — life pie / sub-pieces / objectives / vision / bot ideas empty
- Doc header still says Wed Sep 16 7:45am — meeting moved to **Thu 8:00–8:30**
- Doc purpose: answer as who Mia wants to be / support needed — not only today
- Setup checklist (finish live): Super Grok+$100 → associate X → X DL+phone → download Grok Bot laptop+phone → sign in
- Stone-style: homework or cancel / reschedule
- Do not invent Mia life pie answers

TALKING POINTS · ASKS

- Confirm homework done before sitting down — else cancel/reschedule
- Walk Doc sections 1–5 with Melissa (Mia-focused)
- Live: finish setup checklist on her laptop+phone
- No inventing bot roster until answers exist
- RSVP still needsAction — confirm she is coming in person

> **Win:** Homework verified or meeting canceled cleanly; if proceed, Mia life-pie captured + Grok signed in on laptop & phone.
