- Do not invent intro path, Starlink quote, recruiting ask, or prior touch with TrueChoice

TALKING POINTS · ASKS

- Open: let Hailey state purpose of "TrueChoice // SpaceX"
- Clarify: Starlink / connectivity (TrueChoice lane) vs SpaceX interest / recruiting vs other — unknown until they say
- If connectivity: listen only; no invented site needs or contract terms
- Capture next step + owner; ChiliPiper ready if reschedule needed

> **Win:** Purpose clear in their words; one next step owned; zero invented TrueChoice–SpaceX relationship or deal terms.
